BLOG

February 15, 2026

Hello B Chord Friends!

A new format for communicating the goings on at B Chord Live in Granite Falls!
Thanks for joining in!

This February, we find ourselves just over the critical hump of achieving 1 year in business! Wow - we have learned a lot. Reaching this one-year mark gives us a chance to reflect on and appreciate the many adjustments and lessons that come with building a business while becoming part of a new community.

The website now includes a calendar that will be updated regularly to show hours and events, and the BLOG will bring you news and information about our ongoing offerings, as well as our intentions and mission.

There are many, many thoughts to touch on! But we will start with this: Volunteers

B Chord Live has SO MUCH to OFFER! So many opportunities for the Community....but alas, Marty and I cannot do it all by ourselves; we need Community Participation!

Marty and I extend the spirit of dedication and community through B Chord Live. We have the space and the intention, we need you to volunteer!

How? You ask? What are you passionate about? What brings you joy? Bring that to B Chord! OR - Are you able and interested in volunteering, but not sure where or how? We have LOTS of ideas!

Here are some of them:

Craft Showcase - Do you love making crafts? Is there a particular craft you would like to share? Do you enjoy meeting other people with your same interests and passions? You can volunteer to put on a Craft Market! **Mission:** To Showcase local Artists and their crafts, and to build and celebrate Community through a shared interest of the Arts!

Mom's Morning Out - where Moms can gather together and let their kids play and interact in a safe, indoor environment that can easily be modified to accommodate the clientele. BC has a large warehouse with flexible space, a kid friendly menu, and much more... **Mission:** To create a supportive community of mothers with young children who uplift one another, share resources, and improve their own lives and the lives of their children through respectful, positive interactions.

- Volunteer to organize and run a recurring Moms morning out
- Volunteer to organize an event for kids! This could be a storyteller or musician - B Chord can help with entertainment booking
- Volunteer to organize a themed event such as Halloween or Christmas

Luthier Workshop - Shine the light on craftsmen who make musical instruments! Is your child a musician? Have you always been fascinated by the art of instrument building? Volunteer to host a day of Luthiers at B Chord. **Mission:** To Showcase and support local and regional Luthiers, and to connect and grow through community support while honoring the age-old tradition of instrument making.

Festival! - A festival can celebrate just about anything – music, art, food, culture, community, or a cause you care about. Do you love live music? Dancing? Event planning? Community building? Now's your chance to take the lead! Whether to benefit a cause or have a celebration, volunteer to brainstorm and organize a festival of your choice. Work with B Chord Live to identify goals and a budget, then take the lead! **Mission:** To put on a Festival at B Chord Live, including setting goals, budget, and executing a plan for the event.

Chili Cook-Off! - Who has the best chili in the land? Plan a Chili Cook-Off at B Chord!

Vendor Market - Could be a weekly market or occasion specific.

We would love to hear from you! Let's build community together in Caldwell County!
