How did you hear about B Chord Live?

Every day, people ask us, "How's business going?" And the conversation

inevitably circles back around to, "How did you find us?"

Communicating in 2025....it's not linear! We share the same challenge: us providing information and you finding it. In Caldwell County, we are grateful for the [Chamber of Commerce](#) weekly emails including BC events and for the [Hickory Buzz](#) community platform for all things going on in the Unifour area (Catawba, Burke, Caldwell, Alexander counties).

Radio waves are another way we attempt to communicate in 2025! We are plugging into the local radio stations as we are able and will often have tickets available for prizes. Have you heard B Chord Live on the radio?

We are grateful to have been featured in a Hickory Daily Record article when we first opened, as well as a few other write-ups. Did you see any of these?

And then there is - social media. Some people are on Insta, but not FB - or the other way around- or they may only be on Tik-Tok or reddit or You Tube or.... How do you digitally communicate? Which online communities interest you? Have you seen B Chord Live on Social Media? Thank you for signing up for this newsletter, by the way!

We do have a website! [B Chord Live](#) But, websites are not as quick and easy to update as instant social media. Therefore, our primary mode of communication to the public is [Facebook](#). We post our events on FB, Hickory Buzz :), Instagram, Tik-Tok and You Tube, and any other places we can find.... because we can't do this without you!

We all know that **Word Of Mouth** is the best way to attract and maintain business. Can you help us spread the word that **B Chord Live is open 7 days a week for lunch and dinner? And that we have live music and music bingo every week!** Can you help spread the word that we are a **community space and we have free live music** most nights?

Help us get the word out that B Chord Live is open & the place to be!

[Chamber of Commerce](#): Our **NEWS LINK** newsletter aims to provide our members & Caldwell County residents with current information about

business news and events in our surrounding towns. Our newsletters are released multiple times per week! **Want in?** Our members can reach out to us and let us know the events and information you want to share and we'll get the word out to over 5,000 readers.

[Hickory Buzz](#): Welcome to the Hickory Buzz! What's Happening This Weekend?

If you've ever said, "I wish I had known about that event," you're not alone—and that's exactly why the Hickory Buzz was born. As the organizers behind popular events like the Hickory Christmas Show, the Hickory Women's Expo, and the Hickory Home & Garden Show, we know how fun and meaningful local events can be.

But we've also felt the frustration of missing out simply because we didn't hear about something in time. While there are plenty of great local resources, we saw the need for one joyful, centralized hub that brings it all together. So, we've created the Hickory Buzz—a weekly newsletter and website dedicated to celebrating everything happening in the Hickory Unifour area, including Catawba, Burke, Caldwell, and Alexander counties.

Check out our [You Tube Channel](#) to see and hear some of the fantastic musicians who have been on stage.
