Acoustic Open Jam on Tuesday Nights! We love it when younger players show up! So much talent right here in Granite Falls! Jam starts at 7pm.  
>This was a beautiful scene where the jammers on the left stopped to appreciate the jammer on the right, then organically supported the singer by playing quietly in the background....not necessarily knowing the song, but skilled enough to play along. That's what it's all about <

### **B Chord Live: Our Vision Cont'd...**

While our restaurant is serving fresh, locally sourced ingredients including chicken that is never frozen, 100% Certified Angus steaks, and burgers made with a custom blend of chuck, brisket and short rib Certified Angus beef, and of course, vegetarian options, we are continuing to live our Vision every day.

Our B Chord Bar stage has been in use since we opened, and our B Chord Lite stage has also been featured since our Grand Opening. Our B Chord Lite

stage allows for larger band setups, space for listeners to move around and dance, ticketed shows, and more space for more people to enjoy live music! Have you seen the space? It's huge! Which is one of the many reasons we chose Granite Falls' historic Pepsi plant to put down our roots.

Ettore Buzzini and his band performed July 25th on the Lite stage. Pictured is Ettore performing an original solo piece. We got it on video: <https://www.youtube.com/watch?v=vKFNPplqFdI>

But let's not forget the BEER! B Chord is not just a restaurant or a live music venue, B Chord is a brewery! Marty is the B Chord Brewmaster and he cannot wait to get started brewing! But, visions take time...and as the B Chord Live stage is in process, so is the Brewing. However, his 3 ring binder is at the ready and once the stars are aligned, you too, will be tasting the yumminess that he creates! More on this in future News & Notes!

Most importantly, B Chord Live is invested in WNC, in Caldwell County, and in the people who reside here. Come see us!

## **About Us!**

Everybody has a story! What is your story? A tidbit about us... before Marty and I purchased 47 Duke St., we attended many, many live music events. We studied the stage,

the lighting, the sound, the audience space, the green room, the vibe, we talked to the artists, all of it... We studied and developed the ideal scenario for a live music venue. We chose 47 Duke St., Granite Falls, NC to build B Chord Live. We are often asked - Why Granite Falls? Because we found a spot that we believe in. We both love WNC mountains and Bluegrass music. The location of B Chord Live is also key, Pepsi knew that well with choosing this location in the first place! But the first draw is from attending Appalachian State University and experiencing WNC first-hand...knowing that one day, this would be home again.

Get in touch with us! Share in our story. Whether you are an artist, a musician, or other, we would love to hear from you! Click the button to email us.
