## Plans for B Chord Live

Our restaurant opened January 25, 2025. We are proud of our BC Crew and sharing in our goal for success. The menus are expanding and the music is ongoing! We present excellent live Bluegrass music every week, and promote the youth of Bluegrass to keep it going!

Next, we will be building a stage in the adjoining space that will open to the outdoor patio through a large roll up door. Preparing for beautiful spring weather, Marty has all the outdoor furniture polished and ready! Stay tuned with us as we transform this space in our next phase of development. We will continue to have a small stage in the restaurant, and will be expanding to have full bands and more people in the open space next door! Stay tuned for Phase 3 plans in next week's [News & Notes!](#)

## About Us!

Everybody has a story! Our B Chord Live story starts in 2025, here in Granite Falls. We are grateful to be among the Blue Ridge Mountains and Bluegrass Music, which is what drew us to western NC.

We bring with us a passion for Live Bluegrass Music and the motivation to make B Chord Live a premier live music destination. Our story begins with B Chord Live settling into this historic building and starting a new chapter.
