Last Weekend at B Chord Live:

Bluegrass you can count on with ***The Neighbors Band!***

We enjoyed a heartfelt Happy Birthday song from the band on Friday night to celebrate Marty's Big Day and wish him all the best on his next circle around the sun :)

Todd McLoud-Bass/Vocals, Rick Everhardt-Mandolin, Sawyer Whitman-Banjo, Bob Henson- Guitar/Vocals. We are so fortunate to have these fellas close enough to play at B Chord Live on a regular basis! Supporting Live Bluegrass Music in Caldwell County!

Live Music Every Friday and Saturday Night

The Butter Beans took the BC Bar stage on Saturday night, playing several original tunes and some familiar favorites.

B Chord patrons enjoyed dinner, drinks and fun while having a live music experience! The BC Bar stage offers a more intimate setting with the music and the musicians, creating a relaxed and comfortable atmosphere enjoyed by all.

This Friday, September 5:

Boundary-breaking and genre-defying are handy terms to use in describing musical artists, but while they can lend a certain cachet to a project, music that really eludes easy description is actually pretty rare. Still, if such terms can be applied to any group at all, the [Jon Stickley Trio](#) is at the head of the line for such treatment. For while the music made by guitarist **Stickley**, violinist **Lyndsay Pruett** and percussionist **Hunter Deacon** contains innumerable influences that dart in and out of a listener's ear, its all-instrumental essence is truly unique. And while the **Trio's** 2020 debut for **Organic Records**, [Scripting The Flip](#), was a convincing enough depiction of the group's distinctive identity to earn rave reviews from jazz and Americana publications alike, their upcoming album, [Meantime's Up](#), serves up compelling proof that they've been digging even deeper. www.jonstickley.com/media

This Saturday, September 6:

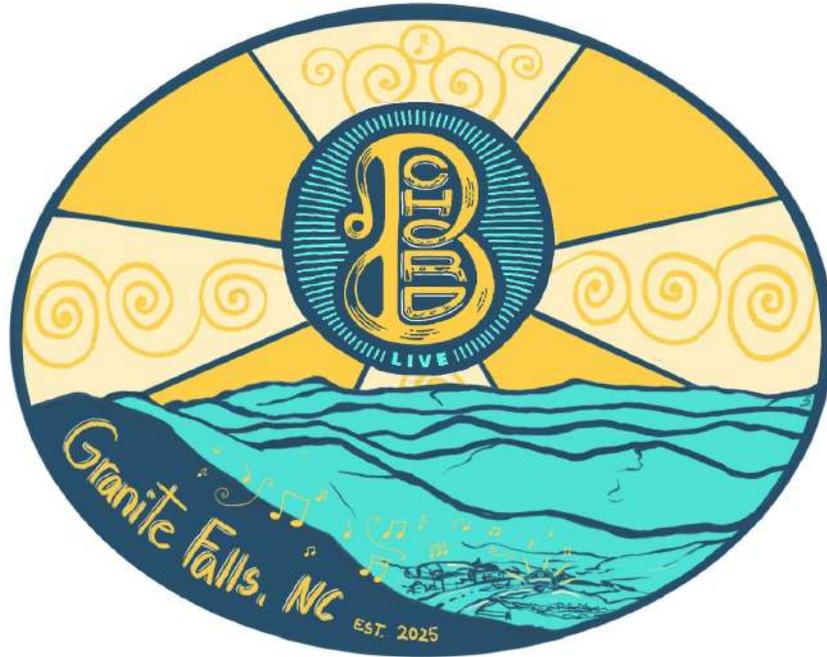

Billboard topping artist Kristy Cox has been awarded with radio success and accolades for her talent. Having signed with bluegrass label Billy Blue Records, Kristy released her brand new album 'Let it Burn' in May 2024, which debuted at #1 on the Billboard Bluegrass Album Chart, following her latest award winning releases 'Shades of Blue' and 'No Headlights.'

Kristy has been awarded 6 'Bluegrass Recording of the Years' in the Australia's CMA Awards (Golden Guitar Awards), her latest in 2023 for her track 'Good Morning Moon.'

Praised for her performance and songwriting capabilities, Kristy has been shortlisted in the International Bluegrass Music Awards the past five years for Emerging Artist of the Year and Female Vocalist of the Year and was a finalist in the 2019 IBMA Momentum Awards for Vocalist of the Year. Kristy was a 2024 SPBGMA Female Vocalist of the Year finalist.

From a young age, Kristy has captured attention with her distinct singing style and positive outlook, going on to open shows for major acts and appearing on television and major festivals across Australia, Europe and the USA. www.kristycox.com
